To

The Vice President,
Government Ayurvedic and Unani college committee,
M Y S O R E.

Sir,

In inviting kind reference to Muzarai Commissioner Is letter No. C.849/38-39 dated 15-12-38 (copy enclosed) addressed to the General Secretary to the Government of Mysore, Bangalore recommending sanction for the grant of an additional allotment of Rs. 4,470-4-0 to the Ayurvedic and Unani college, Mysore, for the current year, I have the honour to state that very early sanction for the said additional allotment is immediately required for reasons noted below.

In addition to the usual contingent expenditure, an unusual expenditure aggregating to Rs. 597/-- in respect of item e and f referred to in the Muzarai Commissioner's letter has also been debited to the current year's usual allotment of Rs. 1,100/-- under "College Contingencies" subject to the adjustment of the latter expenditure from the additional grant so much so the allotment of Rs. 1,100/-- under college contingencies has fully been spent. Since it is not possible to postpone payments of the routine bills relating to the contingent expenditure to be received from here after till the receipt of sanction to the additional grant, I beg to solicit kind permission to charge them to the currnet year's allotment of Rs.7500/-- under "Purchase of Medicines" and "College Necessaries" subject to the adjustment of the amount thus charged from the additional allotment on receipt of the same.

I beg to mention also that the sum of Rs. 421-14-0 referred to in item(d) of the Muzarai Commissioner's letter, which is to be met out of the current year's general savings of Rs. 1,853/-- has already been debited against "Purchase of medicines" and "college necessaries"

and paid to the Director of Industries and Commerce in Mysore, Bangalore, as sanction for the re-appropriation for the sum of Rs. 1,853/-- has not so far been received with the result the balance of amount under Purchase of medicines will not suffice to meet the amount of the Board ~~&~~ Examination remuneration and other bills unless supplemented by the additional grant.

Further the bills pertaining to the improvement and extension to college Herb Garden have to be paid for before the close of the current year so that the general savings of the current year set apart for this particular work, may not lapse.

In view of the fore- going, I beg to request that very early sanction to the additional grant of Rs. 4,470-4-0 and to the re-appropriation of Rs. 1,853/-- may be obtained and communicated.

I have the honour to be,

Sir,

Your most obedient servant,

M Rama Chandran
